**The agreement between Rusty Miller and the County expired on September 30, 2007, and subsequently has been on a month-to-month basis while the Department conducted the public solicitation process. The purpose of a public re-solicitation is to provide all members of the public the opportunity to conduct business with the County. Please rest assured that it is our intention to select the best qualified individual.**

**It is the Department's goal to provide quality recreation facilities that are available to the public and appreciate the positive feedback.**

**If you have any questions regarding this meeting, please contact Jim Norwood at (626) 821-4671.**
